## Lease Terms And Additional Information

Our minimum lease term is 12 months. No short-term leases are available unless the listing provides this option.

### Security Deposit Options

At PURE Property Management, we offer two options for security deposits. The first option is a traditional security deposit, where a lump sum is paid at move-in and is held on account for the duration of your tenancy. If your account does not have a final balance due, then the full security deposit amount will be refunded.

The second option is our Security Deposit Replacement Program. With this option, you will pay a monthly non-refundable fee for the duration of your tenancy instead of the traditional upfront deposit. No funds will be held to use towards any balance on your account at the time of move out. You as the tenant will still be responsible for any charges assessed at move-out.
